Dates to Remember

Word from the Principal

Dear Parents

It is indeed an honour to issue this first newsletter of 2015. I trust you had a most wonderful festive season. As a school we mourn the death of Katlego Bosaletse who drowned at Maselspoort over the holiday. Our heart goes out to the bereaved family.

Now we are back to business- teaching and learning. I am certain that we are all geared for the year. Let us as school community take hands and put everything in the stride to make a success of the academic year.

Please support your kid at home and make sure that they do their homework and hand in assignments.

I wish you well and can assure you that we will do our utmost best to deliver quality teaching.

Wayne Cicilie

Our school is registered with "My school, My village, My planet". This is a fundraising initiative and we encourage parents to register online at www.myschool.co.za or collect an application form from the office to obtain a "My School" card.

MAKRO

We remind parents to use their Makro cards when shopping at Makro. The school receives a certain percentage for each transaction at Makro when our parents use their cards.
