Appointments

We urge all parents to please make an appointment after 13h45 if you want to see a teacher.

There is still parents who make themselves guilty not to adhere to this request. It is really disturbing if parents just pitch up at a class and demand to speak to a teacher.

Education time is for education!

We thank you in this regard.

Healthy Food

We still experience a huge problem with learners who come to school with unhealthy food. PLEASE, PLEASE, PLEASE!

We want to urge parents to make sure their child has a healthy, balanced lunch box for school.

Do not put in too many sweets, chips and soft drinks.

Substitute this with fresh fruit, juice and sandwiches.

We thank you in this regard.

Road safety

We ask all parents whose children use private transport to reprimand the drivers who wait across the street when they collect children. Learners run to the transport without looking for traffic.

PLEASE, PLEASE, PLEASE!

Supporting the school

MY SCHOOL PROJECT

Our school is registered with "My school, My village, My planet". This is a fundraising initiative and we encourage parents to register online at www.myschool.co.za or collect an application form from the office to obtain a "My School" card.

MAKRO

We remind parents to use their Makro cards when shopping at Makro. The school receives a certain percentage for each transaction at Makro when our parents use their cards.

We thank you in this regard.
